CENTURION GARAGE DOORS

The Quick-Fit Sectional Door

Australians are famous for their innovation, and we at Centurion Garage Doors are proud to be the leader in our field. Our latest innovation, the revolutionary 'Quick-Fit' garage door, is the culmination of over 10,000 hours of research and development by our engineering team, and arguably the most significant advancement in the garage door industry since the invention of the humble roller door. Along with Centurion's "CLICK and GO" track curve, fast installation, our super strong "TUFF TRACK" (50% stronger than normal tracks) and quieter operation, the 'Quick-Fit' door is set to reinvent the garage door industry.
